### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claim 1 is the inclusion of the limitations of

"The controlling means includes high-temperature combustion predicting means for predicting generation of high-temperature combustion in the engine, and the controlling means includes combustion slackening means for slackening the combustion in the engine by controlling the fuel injection through the injector when the high-temperature combustion is predicted by the high-temperature combustion predicting means" that the prior art of record neither taught nor suggested.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
